

Chapter 35 Vocab

Make vocab cards for the following 36 words:

- Pathogen (Review from Ch 24)
- Immune system
- Innate immunity
- Adaptive immunity
- Phagocytosis (Review from Ch 5)
- Neutrophil
- Macrophage
- Natural killer cell
- Interferon
- Inflammatory response
- Histamine
- Mast cell
- Cytokines
- Lymphocyte
- Thymus
- T cell
- B cell
- Antigen
- Antigen receptor
- Epitope
- Antibody
- Effector cell
- Plasma cell
- Memory cell
- Clonal selection
- Primary immune response
- Secondary immune response
- Humoral immune response
- Cell-mediated immune response
- Helper T cell
- Cytotoxic T cell
- Active immunity
- Passive immunity
- Immunization
- Allergen
- Autoimmune disease
